

2025 3rd Thursday Street Fest - Waste Report

Over the summer, CLiCK's Green Team ran a waste diversion program at the fests.

Here's who helped!

VENDORS

This was the 1st year where Styrofoam was banned at the fest! We ❤️ our vendors.

VOLUNTEERS

25+ volunteers came out throughout the summer to make the fest more sustainable.

EVENT GOERS

The public is our biggest supporter! You all helped make this possible by being good stewards.

Here are the facts:

The 2025 Fests had an overall diversion rate of 64%!!

1963.8 LBS of total waste (recycling, compostable materials, trash) was produced at 2025 3rd Thursday.

548.8 LBS was food or compostable service ware.

705.2 LBS was recycable material
